User Stores

1. As a player, I want to enter my name so that my score can be contributed to a specific person.
2. As a player, I want to roll dice so that I can play the game and generate results.
3. As a player, I want to view stats so that I can compare my progress to other players,
4. As a player, I want to build buildings so that I can get closer to beating the game, and unlock unique advantages within the game
5. As a File, I want to read the stats so that I can save them for the player to eventually see.
6. As a file, I want to provide the stats so that the player can view their stats as well as everyone who played previously.
